Suzano Papel e Celulose S.A. sells 50,000 ha of Brazilian timberlands

December 14, 2009

Fazenda Turmalina Holdings, LLC and Mata Mineira Investimentos Florestais Ltda. have entered into agreements with Suzano Papel e Celulose S.A., a publicly listed Brazilian forest products company (Bovespa ticker: SUZB5) to acquire 50,000 hectares (125,000 acres) of land and commercial Eucalyptus plantations in Minas Gerais, Brazil, subject to certain conditions. The buyers utilized the acquisition services of TTG Brasil Investimentos Florestais Ltda., a subsidiary of New York-based Equator, LLC, who will also serve as asset manager for the property. The transaction is subject to certain adjustments after due diligence. Closing and payment of the purchase price is expected to take place during the course of the first semester of 2010.
